Giving Fareham an Alternative

In Fareham only the Lib Dems can be an effective opposition and provide an alternative voice.

Only two parties have seats on the council, plus the local champion of Titchfield Common, Jack Englefield (Ind).

Voting Lib Dem means having Councillors who will challenge the decisions of the Conservative Cabinet on behalf of Fareham residents.

It's always a two horse race in Fareham

Only the Lib Dems can defeat the Tories here

FOCUS

Fareham East

Your Wallington & Town Centre Newsletter for Winter

Fighting for Fareham in Cost of Living Crisis

The Conservative Cabinets of Chaos are mismanaging and damaging our economy.

We should not forget the disaster of Truss Economics as we all continue to live with the costs of higher borrowing.

Lib Dems are fighting for a fair deal. Pushing for a higher Energy Windfall Tax, extending the Energy Cap for small businesses, taxing water companies dumping sewage and a NHS rescue plan to recruit and improve services.

After 12 long years the Conservatives have run out of ideas and their focus is big business.

Suella Braverman our Conservative MP has not been much help. Calling for benefit cuts for those in Fareham on low wages, disabled or caring for a family member.

Lib Dem Councillors have given back a 4% increase to their Personal Allowance. In effect, freezing their Personal Allowances which are already higher than neighbouring Councils to help control costs.

Campaigning to increase the core services of the Citizens Advice Bureau to better help residents access services with increasing demand.

Cllr David Hamilton with volunteer Mike Craft at the Westbury Road Basics Bank.

Lib Dems work hard in Fareham, hear your concerns and will never take you for granted.

Voting Lib Dem sends a message that enough is enough!

Our Liberal Values

We work for clean, safe, fair, and caring communities that look after the people, places, and environments around us.

These are the values that inspire our year-round work for local people.

We strive for an open, fair, and free society where democratic decision making is done locally.

We strive for a community that takes care of those in need, where business is free to trade fairly and on an even well regulated playing field, and where everyone pays their fair share.

We work for pragmatic solutions that deliver maximum value for every penny paid in tax. Lib Dem councils deliver for the people, the environment, the communities, and the businesses that we need in order to thrive and enjoy the place we call home.

A promise of a fair Fareham

LOCAL LIB DEM TEAM: WORKING FOR YOU ALL YEAR ROUND

Time for a change

Join the fight for a fairer Fareham

Fareham is surrounded by Lib Dem led Councils that deliver positive changes for their residents.

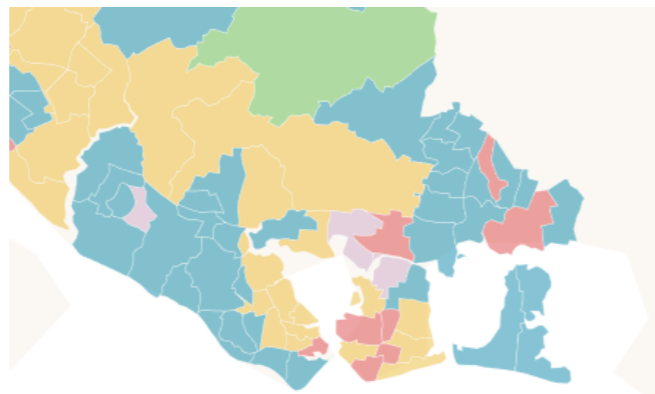

Eastleigh was recently ranked among the best run councils in the country with one of the lowest council tax rates in the country and providing more services than Fareham does.

Gosport have given more access to cheaper parking, put a redevelopment of the Lee on Solent sea front on the agenda and delivered an incredibly popular community skip scheme.

Winchester Lib Dems recently met with Whiteley Practice to raise resident concerns and after that

meeting the Practice expanded with four more GPs and face to face appointments resumed.

Portsmouth introduced a recycling scheme for mixed plastics products, increased its e-bike sharing scheme and invested in green energy.

Become more active in your community

Become a Lib Dem Councillor

There is a team behind you to help get you elected and once elected you have experienced Councillors past and present on hand.

Residents have always been friendly and the constituent work is rewarding. I sit on three Committees which is really interesting and not always the bit people know we are doing.

I would encourage anyone who is community minded to reach out and have a conversation.

David Hamilton (New Councillor May 2022)

Become a Lib Dem Volunteer

We have lots of different people supporting our activities in Fareham and there is a lot of variety.

Delivering leaflets gives you a great walk and it is an easy way to get started. You can be more active in the canvassing or community projects as able. We provide training and support as needed.

We run social events and have regular meetings you will be more than welcome to join.

Please contact us if you are curious and we can understand what you are looking to achieve.

Contact the team for more information - details on the back

Extra fencing quickly done Bath Lane

An elderly gentleman slipped on a steep slope and nearby residents had to help him.

David & Katrina quickly arranged for the fitting of extra fencing at the exit from Bath Lane recreation ground.

Fareham Live Town Centre

Katrina was on hand when demolition of Ferneham Hall began and continues to follow the remodelling.

The new Fareham Live venue will play to larger audiences than before in Spring 2024!

Sea wall repaired Eastern Parade

Alerted by residents of the collapsed sea wall. Katrina quickly reported the issue and supported the interim repairs which have now been completed.

Permanent river barrier Wallington

Wallington residents, assisted by David & Katrina, are continuing to press the Environment Agency to put a permanent barrier near the 5-arch bridge instead of this poor temporary barrier.

Important dates

Wallington Quiz - 4th March

At Wallington Village Hall. Doors open 7pm and starts at 7:30pm.

Tickets are £10pp which includes a Fish Supper. Please bring your own drinks. Contact Katrina (on back) for tickets or information.

Ward Surgeries - Monthly

Every month David & Katrina run a Surgery at Westbury Manor (10:30 - 11:30) where you can drop in and talk with them.

Next Saturday dates: 7th Jan, 4th Feb, 4th March and 1st Apr.

A RECORD OF ACTION, A PROMISE OF MORE
